With the funds herein appropriated, it is the intention of the Legislature that it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2012 do not exceed Fiscal Year 2011 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2011 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to insure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2011 appropriations for "Personal Services" when annualized, with the exception of escalated funds. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2011 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Unless otherwise authorized in this act, no state agency shall take any action to promote or otherwise award salary increases through reallocation, reclassification, realignment, educational benchmark, career ladder, equity salary adjustment, or

any other means to increase salaries of employees or positions unless specifically exempted by the following conditions: the award of teacher salary increments; the advancement of a trainee/cadet to the next level of a bona fide career ladder; the award of an educational benchmark for the attainment of a Certified Public Accountant License or higher level professional certification based on information provided to the State Personnel Board by the Legislative Budget Office; the immediate replacement of a departing employee with an employee from within state service at a salary level of the departing employee or the Fiscal Year 2011 promotional formula, whichever is less; the emergency appointment of nurses, pharmacists or other health care and child protection professionals at a salary to be determined by the State Personnel Board; or a new hire associated with the American Recovery and Reinvestment Act of 2009. All positions supported by funds available through the American Recovery and Reinvestment Act of 2009 shall be designated as time-limited positions.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

SECTION 4. It shall be the duty of the Chairman of the Mississippi Department of Revenue, and he is hereby empowered to select in the manner provided by Section 27-3-13, Mississippi Code

of 1972, such employees as may be necessary to the administration of all acts relating to the exemption of homesteads and the reimbursement of tax losses to the several taxing units of the state, and to assign them to the use of the Mississippi Department of Revenue.

SECTION 5. The money herein appropriated may be used for any expenses which the commission may legally incur. Provided, however, that no part of the money herein appropriated shall be used for the payment of attorney's fees, except upon recommendation of the Governor with the approval of the Attorney General, nor shall any of said funds be used either directly or indirectly for the purpose of paying any clerk, stenographer, assistant, deputy or other employee who may be related by blood or marriage within the third degree, computed by the rule of civil law, to the official employing or having the right of employment or selection thereof, except that when the relationship is by affinity and the person is dead through whom the relationship was established, this rule shall not apply. In the event of any such payment, then the official or person approving and making such payment shall be liable to return to the State of Mississippi and to pay into the State Treasury to the credit of the General Fund three (3) times any such amount so paid to be recovered at suit by the Attorney General.

SECTION 6. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State General Fund not otherwise appropriated, to the Mississippi Department of Revenue for the purpose of reimbursing the counties of the state, the road districts and school districts therein and the municipal separate school districts, for tax losses incurred by reason of the exemption of homes from certain ad valorem taxes under the provisions of Section 27-33-1 et seq., Mississippi Code of 1972, for the fiscal year beginning July 1, 2010, and ending June 30, 2011 \$ 75,109,281.00.

SECTION 7. Each county, road district, school district and municipal separate school district which has incurred a tax loss that is reimbursable under Section 6 shall be reimbursed a sum which is equivalent to the amount of tax loss produced by the application of tax rates annually fixed for maintenance and current expenses to the assessed value of homes, or so much thereof as has been lawfully authorized under the provisions of Section 27-33-1 et seq., Mississippi Code of 1972.

The disbursements from the funds appropriated under the provisions of Section 6 shall be based upon the certificates required of the clerks of the county boards of supervisors and of the clerks of the municipalities, which certificates shall conform strictly in every respect to the requirements of the provisions of Section 27-33-1 et seq., Mississippi Code of 1972.

All disbursements from the funds appropriated under the provisions of Section 6 shall be made strictly in accordance with the provisions of Section 27-33-1 et seq., Mississippi Code of 1972, and no disbursements other than those clearly authorized by those sections shall be made, the provisions of any other law to the contrary notwithstanding.

SECTION 8. None of the funds appropriated under the provisions of Section 6 of this act may be distributed to any county, municipality, school district or other taxing district in which the assessed valuation of the taxing district has increased as a result of reappraisal of the property of the taxing district unless the governing board of the taxing district has published a notice in a newspaper having a general circulation in the taxing district, stating the lower millage rate that would produce the same amount of revenue from ad valorem taxation on property of the taxing district that was produced in the fiscal year before the property of the taxing district was reappraised.

SECTION 9. The following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the special

fund in the State Treasury to the credit of the Department of Revenue License Tag Acquisition Fund which are collected by or otherwise become available for the purchase and delivery of motor vehicle license tags for the fiscal year beginning July 1, 2010, and ending June 30, 2011 \$ 1,596,484.00.

SECTION 10. In addition to all other funds appropriated herein, the following sum, or so much thereof as may be necessary, is hereby appropriated out of any money in the State General Fund not otherwise appropriated, for the purpose of defraying the expenses of the Board of Tax Appeals created in Section 27-4-1, Mississippi Code of 1972, for the fiscal year beginning July 1, 2010, and ending June 30, 2011 \$ 500,000.00.
